Executive Protégé Application

General Information

Please provide a narrative statement answering the following questions. Limit your answers to approximately 150 words each.

-
- Why are you interested in becoming a protégé in the ITSMF Executive Protégé Program?
 - What skills or competencies do you currently have that will contribute to your success in the role of a protégé?
 - What specific skills or experiences do you wish to gain?
 - How will you transfer the knowledge you gain within this program? (Also identify who you will transfer the knowledge to.)

Nominations

An ITSMF member, ITSMF Corporate Partner or Protégé Channel Organization must nominate you for an ITSMF Protégé position. A second reference is required from someone of your choice, who should have known you for at least five years who can attest to both your professional and volunteer activities. Nomination forms are attached and may be returned directly to the ITSMF Executive office or attached to your application.

Statement of Commitment

I understand the commitment that I am making to the ITSMF Executive Protégé Program and if selected, will devote the time necessary to ensure my effective participation.

Candidate's Signature

Manager Endorsement

I support _____'s involvement in the mentoring process.

I recommend the following areas be addressed by the mentor:

Manager Signature: _____

Please email application to admin@itsmfonline.org or fax to 888.702.3092

Executive Protégé Application

Nomination Form

Name of Nominee _____

ITSMF Member, ITSMF Corporate Partner or Protégé Channel Organization

By nominating a candidate, you are signifying your commitment to support the candidate's full participation in the program.

Reference

As a reference of the candidate's choice, you should have known the candidate for at least five years and be able to attest to both his /her professional and volunteer activities.

Selection Criteria

ITSMF Protégé positions are awarded to outstanding leaders identified as high potential in information technology positions. Candidates should be established in their career with potential for advancement to senior/executive management positions.

Nomination Statement

Provide a recommendation below or attach separate document. Describe the nominee's achievements, capabilities and potential.
